PROFESSIONAL SUMMARY

Motivated Computer Science student pursuing a Bachelor of Science in Computer Science, with a Diploma in Information Technology and practical IT internship experience. Skilled in programming, web development, databases, and problem-solving. Passionate about developing technology solutions, learning new technologies, and applying technical knowledge to real-world projects. Seeking opportunities to gain professional experience and contribute effectively to a dynamic technology team.

EDUCATION

Bachelor of Science in Computer Science

Kiriri Women's University of Science and Technology

2025 – 2028 | Currently Pursuing

Diploma in Information Technology

Kiriri Women's University of Science and Technology

2023 – 2024

TECHNICAL SKILLS

Programming Languages

- Python
- Java
- C
- C++
- JavaScript

Web Development

- HTML
- CSS
- Bootstrap

Database

- MySQL
- SQL

Tools & Technologies

- Git
- GitHub
- Visual Studio Code
- Microsoft Office

Other Technical Skills

- Object-Oriented Programming
- Software Development
- Database Management

- Problem Solving

- Basic Version Control

WORK EXPERIENCE

IT Intern

Huduma Centre

September 2024 – December 2024

- Assisted with day-to-day IT and computer-related tasks.

- Provided basic technical support to users experiencing computer and software-related issues.
